(friends or family members):

Items to include in your complete Family Emergency Plan

- All necessary supplies (see reverse side for recommendations)
- Access to drinkable water needed (1 gallon per person and per pet, per day, with enough for 7 days, in addition to water for cooking and hygiene)
- Emergency plans and supplies for all family members from children to the elderly, including evacuation options, shelter options, medical equipment and service needs, insurance cards, medications, caregivers, and other personal needs.
- Emergency plans and supplies for all family pets, including evacuation options, shelter options, and emergency pet food and medications (if needed).
- Names and contact information for other support personnel (pharmacies, and emergency organizations).
- Plan shared with friends, family, and support network.
- Copy of house key shared with at least one support network member.
